Shoroqu Othman

I am an aspiring filmmaker studying media and design, with experience in writing, film production, animation, and design. All of my work is placed under intense scrutiny, whether it be an artistic piece or a professional email. I intend to utilize my various skills in an environment of fellow creators and storytellers.

Experience

Center for Teaching and Learning at Georgia Tech – *Learning Design Assistant (AUGUST 2023 – PRESENT)*
- Design and develop multimedia assets for programs, services, and events.
- Design and develop instructional videos including scripting, animation, and transcriptions.
- Adjust the production of instructional videos to be streamlined.
- Coordinate with faculty clients to storyboard animated videos.
- Manage content creation workflow and established a new structure for animated video requests from faculty members.
- Manage both client and project deadlines to ensure timely completion of videos.
- Communicate with clients to meet expectations.
- Record, edit, and mix audio for animated projects.
- Edit videos for faculty members in order to include supplemental material.
- Manage data collection and entry for the department website for projects related to Grant Projects and Partnerships between CTL and other Departments/Colleges at Georgia Tech.
- Photograph and provide support at events, often setting up stations or running registration for CTL events.

Code That Down LLC – *Software Engineer Intern (MAY 2022 – MAY 2023)*
- Worked with Blender and OnShape to create 3D models of various intricacies.
- Worked with the Python programming language and the VSCode IDE.
- Became familiar with various automation software for 3D modeling in the process of assisting with the creation of one.
- Helped with documentation of the CodeToCAD tool.

Islamic Society of Augusta Weekend School – *Teaching Assistant (AUGUST 2019 – OCTOBER 2021)*
- Managed a classroom of 15+ teens.
- Managed the Google Classroom, Remind, and Zoom meetings weekly during COVID remote instruction.
- Was the main point of communication between parents/students as well as teachers and administrative faculty.
- Managed classroom materials and facilitated breaks during Pre/Post-COVID in-person instruction.
- Was awarded TA of the year in the Spring of 2021.

SKILLS & CHARACTERISTICS

- Graphic Design
- Animation
- Photography
- Cinematography
- Video Editing
- Filmmaking
- Sound mixing
- Writing
  - Script
  - Fiction
  - Journalistic
- Illustration
- Storyboarding
- 3D Modeling
- Oral & Written Communication
  - Technical
- Coding
  - Python
  - HTML
  - CSS
  - Java
- Social Media Marketing
- Branding
- Web Design
- Communication
- Collaboration
- Skilled Multitasker
- Leader
- Organized
- Flexible
- Quick Learner
- Problem-Solver
- Attention to Detail

PROGRAMS

- Adobe Creative Suite
- Google Suite
- Microsoft Suite
- Canva
- Figma
- Vyond
- Procreate
- Github
- Visual Studio Code
- Blender
- OnShape
- Unity
